LATEST
NEWS

Welcome to the termly school council newsletter where we give you updates, school events and activities. Our council consists of three girls and four boys. Our aim, Inshallah is to make the school a better, more positive environment for all students at North Road Academy.

DUKE OF EDINBURGH

The Duke of Edinburgh's Award (DofE) is an exciting program designed for young people like you! Founded by Prince Philip, Duke of Edinburgh, this award encourages participants to explore their passions, challenge themselves, and develop essential life skills. Whether you're volunteering, improving your fitness, learning new talents, or embarking on outdoor expeditions, the DofE journey is all about growth and adventure.

PASTORAL CARE

New to the school is our pastoral care facility. An important selection of teachers that have been appointed specifically to help students resolve and overcome their problems or concerns they may have at school or home.

There have been two teachers elected for this role U.Donna for the girls and U.Imran for the boys. Both teachers have undertaken training and will continue to do so to benefit the students and their wellbeing, emotionally and mentally.

Here at NRA we always care about safety, emotional and physical wellbeing. The students are important and deserve to be heard.

JUJITSU

The girls Jujitsu club has picked up pace this term with lots of new attendees from years 5 to 11! The coach has been very happy with their enthusiasm and motivation and is hoping for new applications on the next batch. Watch out for all those who pass their belt exams!

Sunday 31st March 2024

New teachers

Ustadha Saima who is the highschool maths teacher and Ustadha Farhat who is the high school science teacher. They are both from Pakistan, Karachi and have moved to the UK recently. They like the cold weather in the UK, but don't like the frequent rain. What they love about this school is that it's a new experience to teach in another country with a different mentality. In their free time they love to talk about various things like their past memories. Problems and challenges and they love to talk to family and friends back in Pakistan.

Ustadh Imran is one of our Quran teachers for the boys and Ustadh Michael is the high school English teacher. Ustadh Imran is from Saudi Arabia, Makkah and he is 35 years old and his favourite colour is black. His favourite food is lamb and rice and he loves to teach Quran. He says this school is fantastic. Next we have Ustadh Michael. He is 65 years old and loves Italian food and is from Manchester. He loves football and reading. His favourite colour is Blue. He says that the school is very good.

Welcome

BOTTLE CAP RECYCLING

Why have we introduced the bottle top scheme?

This scheme was introduced to our school to teach you about the importance and fun of helping to save the planet by recycling!

When plastics end up in our ocean or landfills, they damage the planet and hurt the animals. This is why it is good to litter pick and stop using plastics that can't be recycled.

SchoolCycled

We are helping to fund raise for our playground. There will soon be updates posted about how much we have raised so far!

PRODUCTS WE CAN GET

SEE REWARDS CATALOGUE FOR MORE!

SchoolCycled

Recycling Scheme
Please keep sending in your bottle tops. We hope to fill our first collection bin very soon!
