Summer Edition
2024

This June sees the second anniversary since the opening of the SEN Support Centre – the Centre for Exceptional Children at North Road Academy.

Children in the SEN Centre are taught a range of subjects based around the requirements of their EHC Plans through a bespoke timetable.

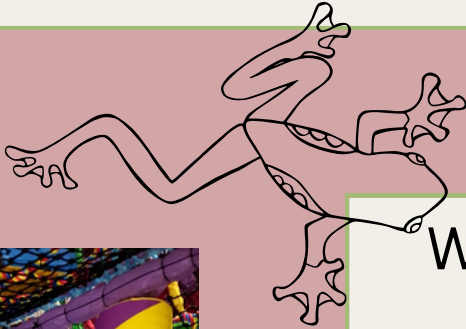

Their education package is different than mainstream offerings due to the needs of the individual children.

We have celebrated Eid Al Fitr and practised our prayers

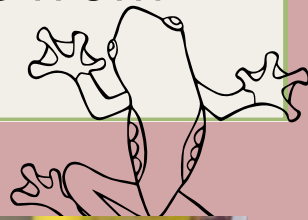

Wednesday 05th June 2024

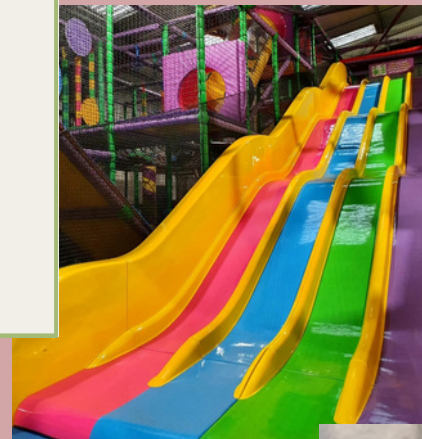

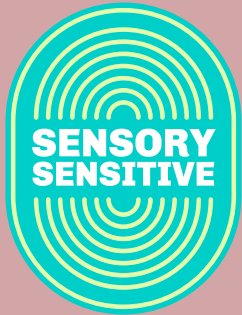

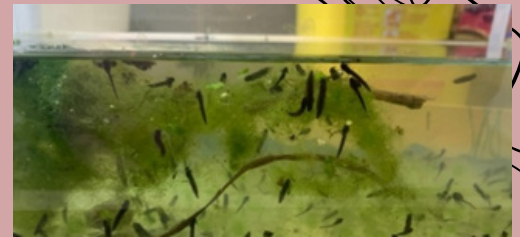

Children have been learning some sandwich making skills!

We have grown frogs from frog spawn

Every week all the children in the SEN Centre visit a soft and sensory play barn to encourage gross motor skills and social development.

Children have been visited by local Emergency Services.

Waiting for our butterflies!
